DO place a barcode label or write barcode in this box if you are a BORROWING library that uses its own barcodes. (Lenders leave it empty.)

DO write the request number CLEARLY. It is the most important information on the bookband! **REQUIRED.**

DO clearly identify the specific library in the standard format. Many also like to include the courier route (if any). (Wondering what "standard format" and courier routes are? <http://www.bpl.org/brls/Delivery.htm>) **REQUIRED.**
